Australian Govt. Site.

Most popular internet safety education program in USA schools  
Regularly updated. Excellent content.  
My favourite.

Good info for schools and parents. Excellent cyber safety program for young children called Hectors World.

Excellent resource for Parents, kids and teachers. Used extensively in US

Sign up online for informative parent newsletters sent monthly via email.

Excellent bullying and cyberbullying site run by Bill Belsey, a Canadian Gr 5 teacher

Links to NCMEC and other key US Stakeholders in relation to online safety and sexual exploitation of children.

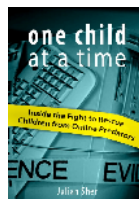

Comprehensive internet safety portal

Let's Fight it Together video and other good resources.

*This is a short list from the 100's internet safety websites available. By visiting these you will obtain a greater appreciation of internet safety. All are good sites, but as with everything, each of you will find one that you prefer, or you may like different areas of several sites. Happy surfing!*

A must read for all teenagers! The reality of cyberbullying exposed.

A graphic but excellent book about the online grooming of children.

Self-help book for parents, packed with practical advice.

The author draws on her own experiences to write a truly gripping novel about the dangers of chatrooms.

Practical guide for parents and teachers by bullying expert Evelyn Field.

Two fabulous books by Maggie Hamilton...a must read for all parents. Learn what our kids are exposed to and how it can impact on
