Why are you telling me all of this?

- Young Australians are gambling
- Many irrational beliefs
 - "I am a skilled gambler"
 - "I can beat the house"
 - "My luck is due"
- Early engagement is highly formative
 - Big win the worst outcome
 - Early engagement predictive of later problems

Why are you telling me all of this?

- Talk & listen
- Teach about the industry, how gambling works, the house advantage

Illustration: GREG GIDDING

How do young people become involved in gambling?

Advertising

Social media

75% 11-15 year-olds seen gambling ads on SNS

Twice as likely to gamble online

9% follow gambling companies on SNS

- Loss of trust
- Financial (poverty, doing without)
- Modelling

Why are you telling me all of this?

- Talk to young people
- Be open & non-judgmental
- Share how to access resources
- Not all youth are problem gamblers
 - But, some may benefit from help & education

The University of Sydney

Why are you telling me all of this?

Strategies for gambling (18+)

- Critical thinking
- You can't beat the house
- Only gamble what you can afford to lose
- Set a limit, stay within it
- Look after mates
- Keep it fun
