“ Comments from our community of eLearning Hub members

“We were given lots of different resources that we can source and areas to go if we need to get support for a young person”

“The session was well planned and delivered and framed with accessible evaluation questions”

“I am new to the wellbeing role at school and the practical methods of addressing mental health is extremely valuable. Thank you.”

“Very useful information & clear way to look at helping young people”

“This was fantastic!! More of this please”
